#### Cell phones and your child

In general, cell phone reception at Ocoee Retreat is average-poor. We will allow your child to bring a cell phone but it **must remain in their bag**. It has been proven that cell phones and texting are a **big distraction to the entire Camp 456** experience and therefore **NOT** allowed. However, we want both parents and children to benefit from the assurance that a brief call to “check-in” can provide. If you plan to send your child with a cell phone, we sincerely ask you to discuss this rule and all the camp guidelines with your child *before* Camp 456.

#### Medical Information Requested

If your child is bringing any prescribed medication or has special medical needs, **please give that to our “CAMP Nurse”** when you bring your child for registration on Friday or contact us in advance to discuss this with you. Our campers are **NOT** allowed to keep their medication with them. All medicines must stay with our nurse. Thank you!
